## **President's Message**

Greetings to all. As we prepare for this month's program, it is hard not to picture Cousin Eddie from the National Lampoons Christmas Vacation movie emptying his RV tank down the storm drain. I am looking forward to seeing you there and as I stated last month, please bring a friend.

Our presenter for the February has asked if there are specific topics related to Engineering and Architecture Arbitration that you would like him to cover. If you have request please contact me directly (contact information in the Chapter Program Schedule below.)

Thank you

ASHRAE Chapter President: Ethan Grover
