Biography:

Hank Jackson, owner and principal of ETech Solutions, has provided technical training and consulting services in the energy efficiency marketplace since 1979. He holds a Bachelor of Aerospace Engineering (1974) and a Master of Science in Aerospace Engineering (1978), both from the Georgia Institute of Technology, Atlanta, Georgia. Originally registered in Georgia, Mr. Jackson's currently practices in North Carolina.

Mr. Jackson served as director of the Georgia Industrial Energy Extension Service program at the Georgia Institute of Technology prior to entering a private consulting practice. During a five year hiatus from consulting (1999 – 2005), he was department chair of Mechanical Engineering Technology at Asheville-Buncombe Technical Community College in Asheville, North Carolina.

Mr. Jackson specializes in energy management consulting and custom design of energy efficient mechanical systems for commercial, institutional, and industrial buildings. He has provided training for numerous public electric and natural gas utilities, including Georgia Power, Midwest Gas, Pacific Gas and Electric, Southern California Edison, and Niagara Mohawk Power. He has also traveled abroad to Jamaica and Central America to conduct energy audits and to provide technical training, including a lecture series in Spanish.

Mr. Jackson has been a member of ASHRAE since 1983. He co-authored “Infiltration heat gains through cold storage room doorways,” 1989 with W.A. Hendrix and D.R. Henderson, ASHRAE Transactions 95(2).

President's Message

Greetings, I hope that this message reaches you in great health and spirits.

This month we will be bringing you our annual distinguished lecturer allocation at the Electro Tech Expo. Continuing Education certificates will be presented at the individual seminars. Hope to see you there.

Thank you

Ethan Grover
President, GGAC and CTTC
