

## Looking for a way to stay plugged in with the changing energy landscape?

Then plan to attend the 19<sup>th</sup> annual Electro Technology Expo on Thursday, Jan. 17. The 2019 Expo will have exhibits featuring cutting-edge technology. Plus, leading energy industry and technology experts give presentations throughout the day in four sessions running concurrently. Presentation topics include:

LED Street and Area Lighting	Commercial Geothermal Systems	Sustainability Practices
Residential Geothermal Systems	Renewable Energy Systems	Hydronic Heating Systems
Home Weatherization	Residential and Commercial LED Lighting Technology	Home Automation
Peak Demand Management	Insulation Systems	Motors and Drives

### Only \$40 to attend!

Preregister at [www.blackhillsenergy.com/electro-tech](http://www.blackhillsenergy.com/electro-tech) starting Oct. 1. Registration includes lunch.

**Continuing education hours available!** Code hours and CEU credits are available for electricians, HVAC specialists, and engineers.

### Expo Schedule

- 7:30 a.m. Doors open for registration and check-in
- 8:00 a.m. Vendor exhibits open
- 8:15–11:45 a.m. Tract sessions in progress
- 11:45–1:15 p.m. Lunch and keynote speaker
- 1:15–5:00 p.m. Tract sessions in progress
- 7:00–9:00 p.m. Evening session of Electrical Code Classes through the South Dakota Electrical Council
